PROFESSIONAL EXPERIENCE

Zomato | Enterprise Account & Growth Manager (Category Manager) Feb 2026 – Present

Cloud Kitchen Enterprise Accounts *Jul 2026 – Present*

- Managed an enterprise account portfolio (~$15.7M in monthly managed revenue), delivering up to 25% YoY revenue growth and capturing 4% competitor market share through funnel optimization, average order value uplift, and pricing/packaging redesigns that lifted conversion by 2%.
- Led strategic account plans and executive-level commercial renewals with founders and C-suite stakeholders across 16 national enterprise accounts to optimize unit economics, margins, and long-term partnership strategy.
- Drove all-time-high platform ad revenue (20% YoY growth, ~$84K in incremental sales) by negotiating spend baselines, optimizing high-intent funnel investment, and monetizing $21K+ in premium branding placements.
- Mentored and coached 3 account managers, designed structured onboarding programs to accelerate ramp time, and partnered cross-functionally with Product, Engineering, and Operations to improve tooling and customer experience workflows.

Enterprise Accounts – QSR Segment *Feb 2026 – Jul 2026*

- Expanded segment revenue share by ~3% YoY to an all-time high while simultaneously improving profitability, and negotiated a fixed 0.2% net sales refund recovery rate.
- Renegotiated contract terms to secure 50% shared cost recovery on support-related orders, introduced long-distance fee structures, and optimized ad spend efficiency across multiple enterprise accounts.
- Doubled advertising ROI (2x YoY), generating ~$52K in monthly incremental ad revenue.
- Increased late-night segment market share by 4% through usage-pattern analysis, while improving operational service-level compliance from ~70% to ~85%.
- Partnered with engineering teams to resolve operational issues and salvage ~$52K in at-risk revenue; worked with Legal to streamline account contracts and resolved financial reconciliation discrepancies of ~$564K dating back to 2014.

Zomato | Key Account Manager (Enterprise Customer Success) Sep 2024 – Jan 2026

- Owned an enterprise account portfolio (5 major brands, ~2.5% of platform revenue), delivering 30%+ YoY revenue growth through pricing optimization, merchandising strategy, and geo-led expansion investments.
- Increased category market share by ~30% by redesigning performance marketing strategy using advanced customer segmentation to reduce acquisition cost.
- Generated ~$1.05M in incremental monthly revenue by optimizing budget allocation between promotions and advertising (15–25% campaign ROI improvement).
- Reduced support escalation rate from 12% to 5% quarter-over-quarter through cross-functional improvements to customer experience workflows and tooling.
- Led logistics and geographic expansion initiatives (100+ locations onboarded), driving 30% revenue growth and a 5% margin improvement.
